

Resume

To whom it may concern.

My name is Erik Gylling and I am 23 years old. I am studying C. Software Technology at DTU. I have just finished my 5th semester December 2019. I chose to study software technology as I am profoundly interested in IT/software in general and especially when mathematics and logic are applied. Studying at DTU has increased my interest in effective algorithms and linear algebra and it is my plan to complete my master in algorithms/artificial intelligence or computer graphics.

I completed my 5th semester at University of British Columbia in Vancouver and I am now returned and ready to continue my studies at the DTU. I am keenly interested in getting a student job where I can learn real life development of software.

I am fascinated by projects of longer time durations, and in the future I am very interested in project related work of significant duration with all the challenges and moderations such processes will have.

On the personal side I can add that I am an independent person who is eager to take on new challenges. I am also a responsible person who like to complete tasks given to me or tasks I have taken on myself. I like to be effective and as a result I believe I have a focused and disciplinary approach to problem-solving. Finally I would to add that I am an outgoing person by nature, curious and keen to meet new people.

Kind Regards,

Erik Kristian Gylling

Erik Kristian Gylling

Education

2018 -	Technical University of Denmark (C.Software Engineering)
2019 - 2019 (Sep. - Dec.)	University of British Columbia (Study Abroad)
2017 - 2018	Technical University of Denmark (C.Electrical Engineering)
2013 - 2016	Himmelev Gymnasium (STX)
2012 - 2013	Oure Efterskole Sport & Performing Arts
2008 - 2012	Lindebjergskolen (Roskilde)
2003 - 2008	Rygaards Skole (Gentofte)

Work experience

2019 - 2019 (Maj - Aug.)	Polyteknisk Forening App Team (App development for student organization at DTU)
2014 - 2016	HesaLight (Primarily warehouse work)
2015 - 2016	Nortlander Ski Tours (Ski Representative)

Volunteering

2016 - 2016 (Juli – Nov.)	Ndolage Hospital, Tanzania, Danmission
---------------------------	--

Skills

- Java	- Flutter
- Datalog	- SQL
- Prolog	- LaTeX
- Haskell	- R
- Javascript	- Python
- C	

Hobbies

- Climbing
- Snowboarding
- Football

Private life

I live together with my girlfriend in Nørrebro. She is also a student at DTU. We have been a couple through two years.

Recommendation from HeSaLight (english translation next page)

1. juli 2016

Personlig udtalelse for Erik Gylling

Erik Gylling har været ansat som lagermedarbejder i virksomheden HeSaLight A/S fra d. 1. september 2013 og frem til d. 15. august 2016.

Hans arbejde har blandt andet bestået af udpakning af modtagne varer, pakning og emballering af varer, indtastningsarbejde, lettere produktionsarbejde, oprydning og rengøring samt andet forefaldende lagerarbejde.

Erik er møde stabil og udviser gode personlige egenskaber til at motivere hans kollegaer gennem initiativ og engagement. I forbindelse med både planlagt og ikke planlagt overarbejde stiller han altid op som en fast del af teamet.

Erik er socialt meget velfungerende og vellidt blandt hans virksomhedens medarbejdere. Eriks gode humør og udadvendte væsen er en genvist for både private og arbejdsmæssige relationer.

Erik har en imødekommende adfærd som ofte gør ham til midtpunkt og visse situationer den uformel teamleder.

Jeg er glad og tilfreds for Eriks indsats i den periode næsten 3 år, hvor HeSaLight har haft fornøjelsen af have Erik som vores medarbejder på lageret og i produktionen.

Jeg vil hermed give Erik Gylling min bedste anbefaling og er sikker på at hans kommende arbejdsgiver vil kunne genkende de egenskaber som HeSaLight og jeg som hans Chef har nydt rigtig godt af.

Med venlig hilsen,

Kim Krahls Larsen

HeSaLight

1st of July 2016

TO WHOM IT MAY CONCERN

Erik Gylling was employed in the warehouse of our firm HeSaLight A/S from the 1st of June 2014 until the 15th of August 2016.

His duties involved unpacking incoming wares, packing and wrapping wares, keying, light production work, tidying up, cleaning and other odd jobs in the warehouse.

Erik has proved a stable and disciplined employee and is capable of motivating his colleagues with his personal initiative and dedication.

Both when overtime work is planned or arises on the spot, he is always willing to give a hand as a part of the team.

Erik is very adaptable and popular with fellow workers in the firm. His cheerful and extroverted manner is a valuable plus in both private and working relations.

Erik is most obliging, which often makes him a central figure, and in certain situations he becomes the informal leader of the team.

I am happy and satisfied with the work which Erik did during the two years, in which HeSaLight has had the pleasure of employing him in the warehouse and in the production area.

I hereby give Erik my best recommendation and am sure that any future employer will be able to note the same qualities that HeSaLight and I, as his manager, have benefitted from.

Kind regards
Kim Krahlsen

Date 29.12.2019

Passed study activities

It is hereby confirmed that Erik Kristian Gylling, date of birth: 03.01.1997, is enrolled as a student at Technical University of Denmark.

Name of the education: BSc in Engineering
Field of study: Bachelor 2010

The student has not graduated.
 The student has passed the following subjects.
 The credits are shown in ECTS-point

	Marks	ECTS-grade	Credits
BSc in Engineering, Bachelor 2010			95,0
BSc in Engineering, Bachelor program in Software Technology			95,0
Bachelor softwareteknologi			80,0
Almene fag 2015 - Bac. civil			15,0
02121 Introduction to software technology	10	B	10,0
